Hotel de Rome, Berlin Berlin's architectural gem

On Bebelplatz, off Unter den Linden, is the Hotel de Rome in a building that once housed the Head Office of the Dresdner Bank. Imposing now as it was then, it is one of the few luxury hotels in Berlin located in an historic building.

Whilst much of the classical architectural splendour remains, Hotel De Rome offers guests a contemporary Berlin experience. For business and private events, all the meeting rooms make full use of natural light, with high ceilings and the most up-to-date technology.

After business, a variety of tempting delights are on offer: Mediterranean cuisine taken alfresco on the restaurant terrace, cocktails in the modish long bar overlooking Bebelplatz and one very nice extra touch – a 20-metre swimming pool located in the original bank vault.
