Hotel de Russie, Rome Rome's most stylish retreat

Residing between the Spanish Steps and Piazza del Popolo, Hotel de Russie's guests are well positioned to explore and experience every wonder of Rome. Vatican City, Piazza Navona and the Trevi Fountain are all easily accessible and the hotel is even closer to the fashionable boutiques on the Via Condotti.

Even with all the treasures to be found in Rome, many agree that Hotel de Russie is one in itself. As well as its charming, luxurious interior, the hotel possesses a uniquely beautiful terraced Secret Garden and a butterfly oasis created in collaboration with the WWF. You can't imagine a more perfect setting for a memorable event.

Dining alfresco, enjoying a peaceful stroll, and relaxing in one of Rome's best Spas can all be taken for granted here. Whatever your event, guests at Hotel de Russie can look forward to a pleasant stay.
