

THE ROCCO FORTE COLLECTION

THE LOWRY HOTEL
MANCHESTER

The Lowry Hotel, Manchester
Manchester's most
fashionable venue

The Lowry Hotel makes a bold architectural statement in the recently developed Chapel Wharf area. Standing next to Calatrava's Trinity Footbridge which leads directly to the city's buzzing business and shopping district, The Lowry Hotel is at the epicentre of everything new and exciting about Manchester.

The striking curved glass-fronted façade together with the clean lines and sleek furnishing of the interior create a uniquely bright and airy feel throughout the hotel. The River Bar and Restaurant with its modern, unpretentious approach to dining is a similar breath of fresh air. The hotel also provides in-house kosher catering supervised by the Beth Din.

Here, every luxury is offered to guests, and conference facilities are second to none. There is a dedicated street-level entrance for meeting rooms, and the hotel will crane a car into the 3rd floor ballroom if that is what your event requires.
